

**Did the Death of Christ Have an Effect on the Results of Any Event
Which Occurred Prior to the Fall of Adam?**

Yes!

The fall of Satan obviously preceded the fall of Adam and the death of Christ had dire consequences for Satan.

Therefore, since the children share in flesh and blood, He Himself likewise also partook of the same, that **through death He might render powerless him who had the power of death, that is, the devil**,
(Heb 2:14)
